RE: CERTIFICATE OF APPRECIATION

The community of Aterait is much grateful for the wonderful work PLANET CHANGER, has done, of fully protecting its water spring. We are greatly appreciative of your organization's compassionate deeds in our community of saving lives and inspiring hope.

We now enjoy clean water that is free from water borne diseases and further kindly request your organization to also consider, establishing poverty curbing projects like poultry, vocational skills development, and crop farming projects like it has done in other areas.
