RE: CERTIFICATE OF APPRECIATION

We are with much humbleness, as a community of Kangura B community/village, awarding, PLANET CHANGER Organization, this certificate of appreciation, in appreciation of its livelihood transformational work, it has completed in our area, by funding the protection of our community spring water source.

Thank you indeed for your support. We now have clean water, and we look forward, to further partner with your organization, in initiating and implementing other developmental projects in our area.
